Entries

1. Email your entry files to toddnishida@gmail.com by **7:00 PM Wednesday April 6, 2016** - NO POST ENTRIES.
2. All entries must have a mark, time, site, and date of event.
3. Entries consist of:
 - a. roster file (team manager .tcl file)
 - b. entry file (team manager .tcl file)
 - c. proof of entry (exported .pdf file)

Eligibility

Each contestant must be eligible under the rules of the OIA Bylaws Article I "Eligibility" Section 1-6 in the OIA Handbook.

Rules Governing Meet

This meet will be governed by the National Alliance Edition of Track and Field Rules, published by the National Federation of State High School Athletic Associations.

Participation

1. Participants may participate in six track and field events. Participation by an individual in events shall be subject to the qualifying standards of the divisional meet.
2. Entry constitutes participation, except in relays where more than four individuals are listed on the relay card. Only those who actually participate will be considered official entries.
3. Participants must be attired in school uniforms, as defined in the rule book. Weight people may use school issued shirts as long as all of them wear the same type of school issued shirt.
4. All participants are requested to remain in their respective team areas except when warming up for an event.
5. Failure to adhere to any of the rules of participation will result in INDIVIDUAL or TEAM DISQUALIFICATION.

Rules of Entry

1. Each school may enter only three participants per event in the OIA Division Championships. Each school may enter only one team in each relay event; cards are submitted at the start of the meet. Alternates are allowed, according to the rule book. Ninth and tenth place alternates will be selected by the next fastest times.
2. The entry deadline should not be before the finals of the previous meet, and no later than the seeding meeting. Coach's attendance to the seeding meeting is optional once the date is established.
No post entries allowed. Host schools may set entry deadlines for track meets at the advisory meeting.
3. Entry marks are necessary for the Divisional Championships. Coaches are reminded to list a time, height, or distance on their computer entries. Entries need to meet western division qualifying standards.

Meet Format (Timed Finals)

1. Each event will be seeded and competitors will participate according to seed; with the top seeded qualifiers competing in the last heat/flight.
2. For field events, except for the pole vault and high jump, each competitor will be given three trials. The top eight qualifiers will be given an additional trial. Place finishers will be determined by the best attempt from all rounds. In the event of a tie, the second best trial will be used as the tie breaker.
3. For all running events, place finishers will be determined by best time. In cases of ties involving runners in the same heat, place finish in that heat will break the tie. In cases of ties involving different or multiple heats, the tie will be kept and points will be distributed evenly.
4. Warm up for field events:
 - a. 15 minutes before events.
 - b. 10 minute warm up between flights.
5. 10 minutes of check out time is allowed for field event participants.
6. Scoring in all events shall be 10-8-6-4-2-1.

Reporting

1. All participants must report promptly on last call or be scratched from that event. There will be two calls, first and last.
2. Participants in the running events will report to the clerk of course who will be in an area designated by the host school. Relay teams must submit their cards at this time.
4. Participants in the field events will report to their respective areas in person or by representative if they are participating in another event on last call.
5. After check-in is completed, any person who scratches will be ineligible for any further competition at that meet.
6. Record marks made in timed final will stand as a new meet record.

Uniforms

1. All participants must be attired in their school uniform (as defined by the book of rules) in the timed finals or face disqualification. Weight people may compete in their school designated sweat suits. Weight people will be allowed to wear identical school T-shirts when in competition.
2. When competing on all-weather surfaces, spikes shall be no longer than ¼ inch. Failure to comply may result in disqualification from the meet.
